

Vybarvi v rámečku tolik obrázků správnými barvami, kolik je ve čtverečku puntíků.
Obrázky pojmenuj.

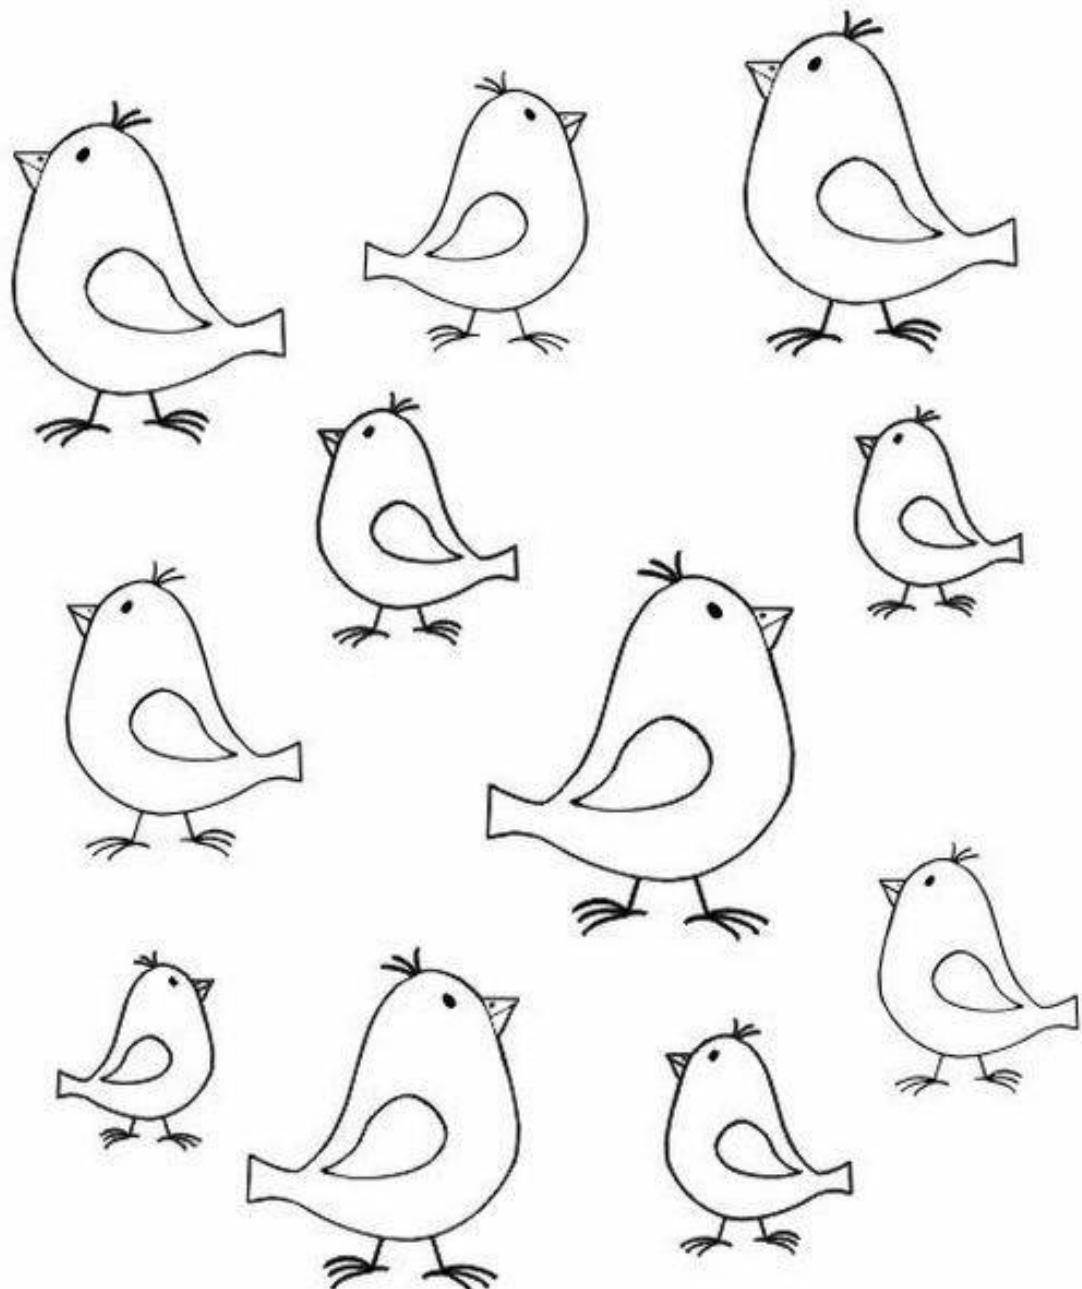

Podivej se na obrázky a škrtni ten, který nepatří do řady. Obrázky si vybarvi.

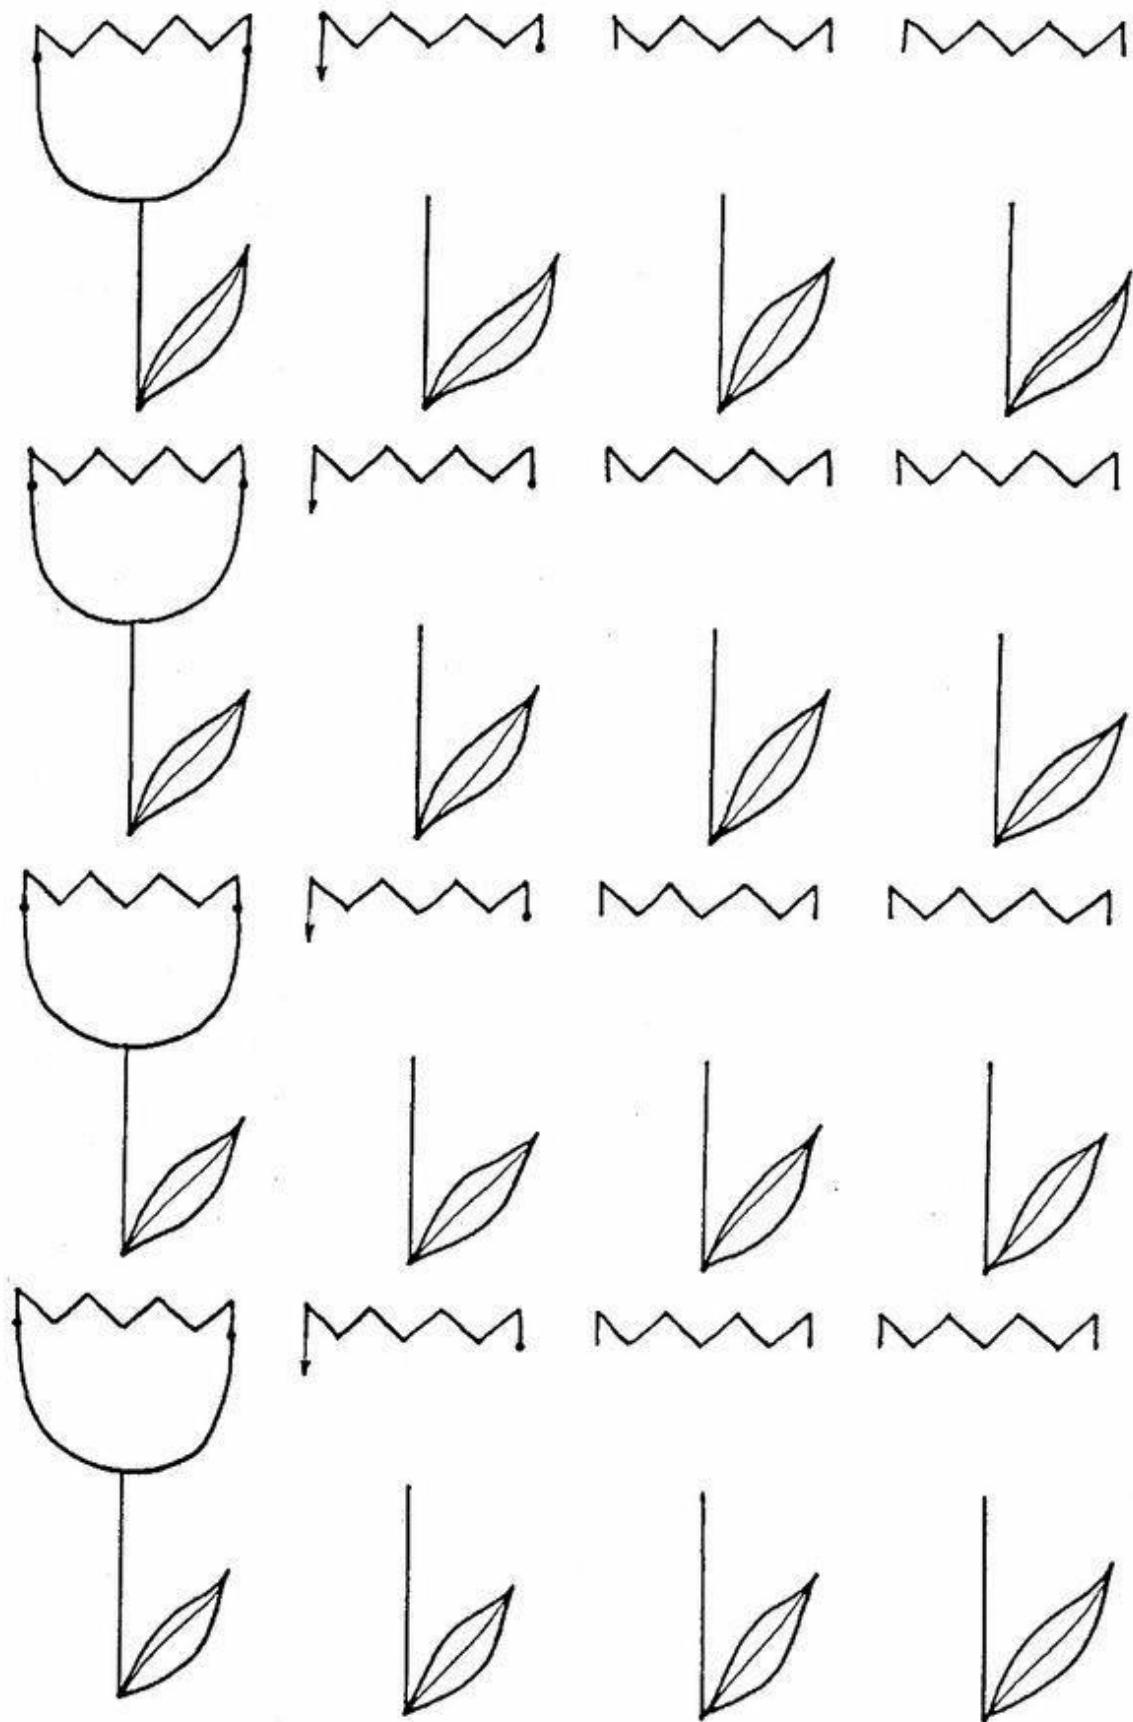

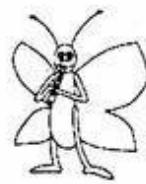

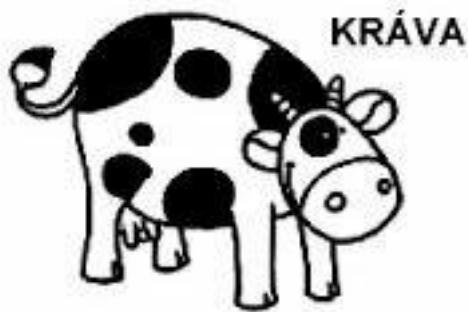

NEJDŘÍV SPOČÍTEJ VŠECHNY PTÁČKY. PAK SPOČÍTEJ TY, KTERÍ SE DÍVAJÍ DOPRAVA. A NAKONEC VYBARVI PTÁČKY, KTERÍ SE DÍVAJÍ NA PRAVO.

Těším se do školky:

Každé ráno vstávám rád,
Spěchám do školky si hrát.
Z písku stavíme si hrady,
Mám tu samé kamarády.
Honzík, Klárka, Anička,
To je naše školička.
Než se máma z práce vrátí,
Čas se mi tu rychle krátí,
Hraní, hřiště, svačinka...
A už je tu maminka!
